# **110 Cable Management Rack Quota**

## Overview

---

Rack Mount S110 Cable Managers provide an economical, superior cable management solution in a compact space. Leviton Cat 5e 110-Style Wiring Blocks provide a centralized location to easily terminate 22-26 gauge solid copper wire for telephone, voice, and data applications. Install on 19" distribution racks and wall mount racks to help organize cables. A standard 48-port PoE++ switch now generates 600W+ of heat—equivalent to a small space heater inside your cabinet. All packages include 12-24 x 5/8 inch pilot point rack screws for use with distribution.

## 110 Cable Management Rack Quota
