INTEGRATED MICRO-ELECTRONICS BULGARIA

Integrated Micro-Electronics Bulgaria EOOD is a thriving company with modern technologies, original engineering solutions and highly effective management. It

1U Technical Specifications

The mechanical specifications are derived from the Eurorack mechanical specifications set by Doepfer. The 1U panel size is based on the 3U size scaled

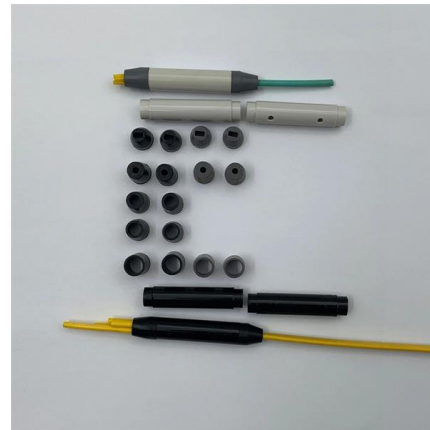

MIDI 1U

The MIDI 1U system provides all the essentials to control and sync your Eurorack modular from your computer, mobile, or hardware MIDI device with a minimum of

KRATOS 1U Ready to Fly Cubesat Platform

The KRATOS 1U is a 1 step cubesat solution that allows developers to focus on the payload and its mission: It includes everything needed for the spacecraft to work

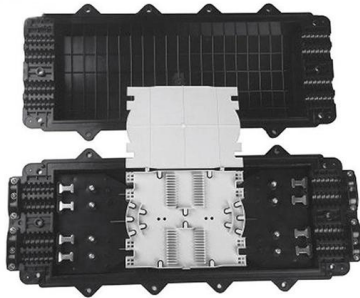

Photovoltaic Module Businesses in Bulgaria

STS Solar is largest Bulgarian company, specialized in consulting, design, construction, installation, maintenance and repair of large PV plants. STS Solar provides an all-spectrum service from

Find Electronic Components - Mouser Bulgaria

Find electronic component datasheets, inventory, and prices from hundreds of manufacturers. Mouser is an ECIA Authorized distributor.

Data Center colocation pricing , TOP SYSTEMS Data Center in

Experience unparalleled security and resilience with our premier server colocation services. Enjoy near limitless space, power, and connectivity configurations, all tailored to your exact requirements.

Integrated Micro-Electronics Bulgaria EOOD , IMI

Integrated Micro-Electronics Bulgaria EOOD
Industrial Zone "Microelektronika" P.O 66 2140
Botevgrad Sofia District, Bulgaria Tel: +359 723
68 300 Markets Served

IRIS IVDX Cloud

IRIS IVDX Cloud - 1U Module offers connectivity to all legacy and next generation telecom networks right from POTS, PSTN, ISDN, E1/PRI to GSM to IP, in a single box. It provides easy migration from

BULGARIA MICRO INVERTERS FOR SOLAR PANELS

Well, industrial operations are quietly leading the charge. While residential solar gets most headlines, industrial-scale PV array installation accounted for 58% of global solar capacity added last year

Module Ltd.

Our company produces and delivers spare parts for enterprises operating in three shifts, on highly intensive rate, as well as equipment exposed to harmful conditions. We have been working in this

Bulgarian regulator clears acquisition of Bulpros Consulting by Rocket

Bulgaria's antitrust authority said that it granted approval to Germany's Rocket EB AcquiCo to acquire Sofia-based Bulpros Consulting, Karlsruhe-based EC4U Expert Consulting and

LoRawan outdoor base station

- * Industrial Internet gateway
- * Compatible with LoRaWAN network,
- * ClassA/B/C mode
- * Support 8/16 channel
- * Supports PoE power
- * supply and backup battery power supply
- * 10KV lightning protection

PV Consult , THE PHOTOVOLTAIC OPERATOR IN EUROPE

We are a leading EPC company that specializes in the development, engineering, procurement, construction and investment in renewable energy projects across Europe and frontier markets.

Analog Devices mModule Power Solutions

Analog Devices' mModule solutions tackle challenges by integrating high-performance analog ICs, power switches, and passive components into compact, efficient modules, streamlining designs, conserving
