

**Adam Tas Corridor Energy**

# **Cable tray edge grinding**

## Overview

---

Watch how a professional fabricator perfectly marks, measures, and cuts a cable tray using a hand grinder with complete accuracy. The Hilti SCM 22-A circular saw is precise, cordless, easy to handle and has a chip collector to reduce contamination potential. Whether looking for a cordless angle grinder or specific cut-off saw blades, these tools make light of any task. Choosing the right equipment will make your work faster, safer, and more accurate. The selection of material and finish is a function of the environment in which it is used in a wide range of environments, and easily formable (Appendices II and III). Completely adaptable, B-Line Flextray is designed to accommodate jobsite changes.
