

**Adam Tas Corridor Energy**

# **Cable tray end funnel**

## Overview

---

Outlet funnels for cable trays are formed parts for safe, organized, and material-friendly cable routing. Characteristic of this steel type is that - prior to mechanical deformation - it is given a zinc coating by means of a continuous dipping process. This allows cables to be cleanly routed out of the support system, bending radii to be. Channel tray can protect against electromagnetic inte, is a welded wire-mesh cable management system made of high-strength steel wire. The cable funnel inserts KT are available in three different sizes with four different sleeve variants for pipes with an outside diameter of 110. Discover a comprehensive range of high-quality cable trays and cable ladders at ekabel24.

## Cable tray end funnel
