

**Adam Tas Corridor Energy**

# **Concrete Primary Distribution Box**

## Overview

---

Concrete distribution boxes are available for a wide array of applications, for example, detector check valves, fire lines, pressure reducing applications, large meter housing, flow control, and air/vacuum release. At Cornerstone Precast, we now manufacture 8-port and 10-port precast concrete distribution boxes (D-boxes) designed for long-lasting performance in septic systems and drainage applications.
