Cresunkvm switcher screen off

Overview

Open Display Settings in Windows and select Detect to resolve issues like "second monitor not working with KVM". KVM switching issues can often be fixed with the right operating system settings. To resolve this problem, try powering off and then restarting the KVM switch when everything is connected in the setup.

Cresunkvm switcher screen off

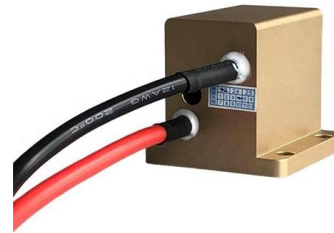

How To Switch Screens Via Keyboard , Bruno Arine

Today I learned how to switch screens via keyboard on an Ugreen HDMI KVM switch. If your keyboard is connected to the switch's keyboard port, just press Ctrl, Ctrl, Enter (in sequence). This seems to
