# **Fiber Optic Cable Junction Box Installation Cost**

## Overview

---

Fiber optic cable installation costs average \$4,500 for most homeowners, with most installations ranging from \$1,500 to \$7,000. These fibers are thin strands, often as small as a human hair, that transmit data as pulses of light. With prices ranging from \$1 to over \$ 50 per linear foot, depending on the installation method. A central component for access to this high-speed network is the fiber optic junction box, which serves as the interface between the fiber optic. The installation type you choose and the layout of your property determine the total labor and materials needed for your project.
