How about factory direct sales of optical cables

Overview

By following these guidelines, you can establish a fiber optic cable factory that not only meets the current demands for high-speed telecommunications but also positions itself as a leader in the fiber optics industry. We will teach you how to "speak factory" to get the exact specs you need, and explain why ordering custom direct from Wolon is often faster (and cheaper) than waiting for a distributor's backorder. When Do You Actually Need Custom Fiber?

If you are just patching a server to a switch in the same.
