How much does it cost to buy a distribution box

Overview

Boxes for homes usually cost between \$10 and \$100 at stores like Amazon or Home Depot. When you start looking for a distribution box, you'll quickly realize the price range is wider than a highway. You might find a small plastic unit for the price of a fancy dinner, or an industrial-grade stainless steel beast that costs as much as a compact car. Expect these price points when budgeting for 2025 installations: Quality power cables make or break your electrical system.
