How to make cable management frames look better

Overview

If you prefer a modern look, opt for metallic finishes or minimalist designs. Don't forget about functionality—select covers that are easy to install and maintain. bunching up the cables together with zip ties or velcro or whatever GOES A LOOOOONG WAY to making it look and feel neater. Once you've got that, you may consider routing it along the frame of the desk, or cable rails as was mentioned in another. Cable management ideas can range from sleeves and straps to boxes, wall kits, and more.
