How to quickly find armored pigtail boxes

Overview

They will randomly be gifted to you every 10 to 90 minutes of actively playing games (after games), with the restriction of 8-14 boxes per week. Make sure you open them quickly though, as they expire after 7 days! Introduced in the 1.20 update, Armor Trims are a great way to spice up the look of your usually basic-looking armor. With over a dozen templates to choose from essentially giving over 100K customization options, you can make your armor set unique from others. An armored pigtail is a fiber optic cable with a connector on one end and an open end on the other, which can splice to another cable's fiber core. Understanding the nuances between these two types can help engineers, technicians, and network planners.
