## Overview

---

Amazon is updating its on-time delivery rate (OTDR) policy, effective September 25, 2024. Effective September 25, 2024, you must maintain a minimum 90% on-time delivery rate without promise extensions to have seller-fulfilled products listed on Amazon. Many sellers reacted with confusion, anger and outrage and expressed their views. Hitting a high OTDR isn't just about pleasing customers—it's key to boosting your seller rank, visibility, and chances of winning the Buy Box. What has been updated in Amazon's self-delivery on-time delivery rate policy in 2024?

And what are the impacts on Amazon sellers in different shipping countries In order to improve the shopping experience of buyers and standardize and promote the management efficiency and quality of sellers in the. These policies are reshaping logistics standards on the platform, urging sellers to adapt quickly to maintain compliance and customer satisfaction.
