# **Power Plant Cable Tray Supplier**

## Overview

---

Armorduct Systems are a UK manufacturer of steel cable management systems including cable trunking, tray, basket, floor boxes, power track & more. com - the reliable choice for safe, organized, and standards-compliant routing of power, data, and control cables. Whether you need hot-dip galvanized steel, stainless steel, or halogen-free plastic systems. Cable trays, as the name suggests, are structural systems used to hold and support cables and wires in commercial, industrial, and infrastructure settings. We also stock a full range of joints, supports and fittings required for safe installation.
