# **Price List for New Installations of Mobile Optical Cable Boxes**

## Overview

---

Premium: 5,000 ft route through urban dense right-of-way, complex trenching, multiple splices, extensive testing, and certification, plus restoration and permit packages. Fiber optic cable installation costs between \$1,500 and \$7,000 for your home, with prices varying by cable length and installation method. These fibers are thin strands, often as small as a human hair, that transmit data as pulses of light. With prices ranging from \$1 to over \$ 50 per linear foot, depending on the installation method, understanding these costs helps make informed decisions about this essential connectivity investment.
