Price of 144-core optical cable 6

Overview

On average, the **144 core fiber optic cable cost** ranges from \$2 to \$6 per meter for standard single-mode cables without additional features. These steel tape armored cables are suitable for installation for long haul communication and LANs, especially suitable for the situation of high requirements of moisture resistance. A 144-core fiber optic cable is a high-density solution designed for modern data transmission needs, where large volumes of data must be transferred quickly and reliably.
