

**Adam Tas Corridor Energy**

# **Price of dedicated fiber optic cable for computer rooms**

## Overview

---

Prices vary based on the length of cable needed, installation method (aerial or underground), and labor rates in your area. Expect to pay \$1 to \$12 per linear foot, depending on project complexity and materials. Single-mode fiber costs less per foot than multimode fiber, but it requires more. Dedicated Internet access (DIA) is an Internet service that provides businesses with a high-speed connection not shared with other users.
