## Russian Optical Module Manufacturing

---

### Optic Fiber Systems

Tour to optical fiber manufacturing with VOLS.Expert Read more 15 February 2023 Deputy Prime Minister and Minister of Industry and Trade Denis Manturov reported to the President on

### Home

Our modern equipment and technologies give us the opportunity to produce high-quality optical products which meet all the required standards in the modern market.

### LOMO

The company produced the first Russian camera. It was known as one of the largest and most secretive companies in the Soviet Union, manufacturing optics used in the military and space programs

### Fibre Optic Cable Manufacturing in Russia Industry Analysis, 2025

Expert industry market research on the Fibre Optic Cable Manufacturing in Russia

## Rostec

Rostec employs unique technologies for the development and production of optical materials and implements full-cycle processes to manufacture high-tech optical

## Russia's Achieves Big Breakthrough In Microchip

Russia (Mikron) Russia has a handful of companies that run fabs using imported DUV machines. Russia's main player, Mikron (based in

## Category:Optics manufacturing companies of Russia

Pages in category "Optics manufacturing companies of Russia" The following 8 pages are in this category, out of 8 total. This list may not reflect recent changes.

## AtlantOptics

Rough Workpieces We manufacture high-precision rough workpieces from optical glass, quartz, and semiconductor crystals (Ge, Si, ZnSe, ZnS) for subsequent precision machining. Our workpieces are

## Optical Components , Produkty` , KYOCERA Russia

Kyocera offers lenses and optical systems for the automotive, photo imaging, office automation, medical/healthcare and factory automation market. Our

## Official website

The Joint-Stock Company "Production Association "Ural Optical and Mechanical Plant named after Mr. E.S. Yalamov" is one of the largest optical industry enterprises in Russia, which develops and

## LOMO

AO «LOMO» yavlyaetsya vedushhim predpriyatiem Rossii po proizvodstvu opticheskix, optiko-e`lektronny`x, optiko-czifrovny`x i optiko-mexanicheskix priborov, sistem i kompleksov.

## Russian University Vows to Build 7nm Chipmaking Tools

Russian institute plans to build 7nm-capable scanner that beats ASML's analogue in several years.

## TYDEX Company Profile

The company specializes in custom manufacturing of optical components and instruments for research and industry, including spectroscopy, pyrometry and

## Company: LOMO

LOMO (Russian: Leningradskoe Optiko-Mexanicheskoe Ob``edinenie, romanized: Leningradskoye Optiko-Mekhanicheskoye Obyedinenie, lit. 'Leningrad Optical Mechanical Association') is a

## Manufacturers

There have been a wide variety of Russian, former Soviet and other 'combloc' optic manufacturers over the years. A very informative WW2-ish era list is [HERE](#) compiled by BADGER of milsurps Some

## List of Optical companies in Russian Federation

Vologda Optical-and-mechanic Plant Vologda optical-and-mechanical plant is one of the most update enterprises in northwest region Russian Federation. It specializes producing optoelectronic and

### Manufacturers

BelOMO occupied a leading position in the optical industry of the USSR and has been involved in developing and manufacturing products for special purposes and civilian subjects.

### Optical Components Manufacturer -- UV, VIS, IR

Alkor Technologies is a Russian manufacturer of precision optical components with over 35 years of production experience in Saint Petersburg.

### Home [inoptics.pro]

ABILITIES RUSSIAN MANUFACTURER The main activity of the company is growing zinc selenide optical materials for use in the IR range and the production

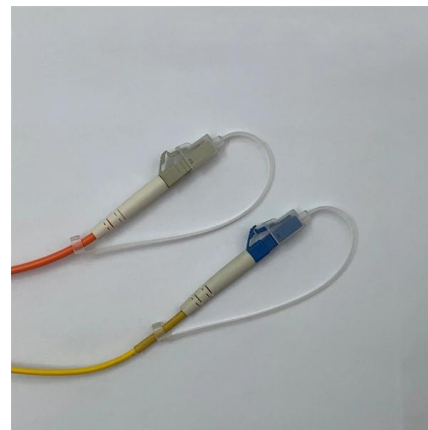

### **OPTEN-CABEL LLC**

opten.spb Export products Fiber-optic cables  
Certificates IQNet ISO 9001:2015 Left Right 1991  
start of manufacturing 90 employees enterprise  
staff amount The 1st

### **8 Top Russian Fiber Optic Cable Manufacturers**

Moskabelmet is a leading Russian optical cable manufacturer, providing a wide range of products, including fiber optic cables, power cables,

### **New Laser Technology**

New Laser Technology - JSC NOLATECH (New Laser Technology) - leading enterprise in the field of development and manufacturing of semiconductor lasers and laser modules for a fiber optic link

## Top 10 Electronics Manufacturers in Russia in 2025

Looking for reliable electronics manufacturers in Russia? Check out the top 10 companies shaping the future of PCB production and innovation in 2025.
