Saudi Arabia Conveyor Belt Bridge Factory

Overview

We are Saudi V Belts Industries (SBI), established in 2010, the first Saudi Company in Middle east to manufacture V Belts for all Industrial and commercial use by using state-of-the-art completely-integrated plant. The company specializes in designing and manufacturing a wide range of conveyor systems, particularly for the food, beverage, and logistics industries, aimed at enhancing automation and reducing labor and time in production processes. We are dedicated to introducing high-quality, cost-effective Chinese industrial products to Saudi Arabia. Through our profound local insights and professional technical services, we deliver. With more than 60 experienced professionals in our team, we are proud to say that we hold the largest inventory of synthetic conveyor belts and modular belts in the Gulf.
