

**Adam Tas Corridor Energy**

# **Saudi Arabian company s smart power distribution cabinet**

## Overview

---

The Pole Mounted Transformer (PMT) Cabinet is far more than just a steel box; it is a dedicated layer of protection and the critical link ensuring the safety and reliability of our Low-Voltage (LV) power distribution network.

Digitally-enabled LV switchboards that improve people and infrastructure protection, boost operational continuity, and deliver real-time energy insights — powered by intuitive power and energy management software for smart power consumption. Saudi Powertec was founded in 2003 and has been manufacturing and supplying Electrical Power Distribution panels, solutions, and services in Saudi Arabia. Built to meet SASO (Saudi Arabian Standards Organization) requirements, this cabinet addresses the region's critical need.
