Special tools for cable trays

Overview

If you're attaching fittings such as cable trays, conduits, and electrical conduits, you're going to need to be equipped with the right fastening tools. Choosing the right cordless drill driver fastening tool and ratchets will help you finish the job to the desired standard. OBO BETTERMANN has offered products and solutions for electrical installation for over 100 years. With our many years of experience, we are one of the leading manufacturers in this field. For ease of installation and accessibility, lay cable and hose in trays instead of pulling it through conduit or raceway.

Special tools for cable trays
