## Overview

---

Since gaining independence in 1956, Sudan has endured chronic instability marked by 20 coup attempts, prolonged military rule, two civil wars and the Darfur genocide. The current war erupted amid tensions regarding the integration of the RSF into the Sudanese Army following the 2021 coup. Overview Since 15 April 2023, there has been an active in between two rival factions of the country's military. Throughout the Sudan conflict, the RSF have waged disinformation campaigns, using social media to manipulate public opinion, spread narratives and deny the massacres that are still happening.
