

Adam Tas Corridor Energy

Which company specializes in network racks in Australia

Powered by Adam Tas Corridor Energy

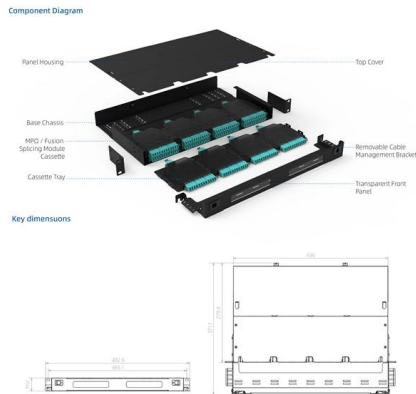

Overview

Racktech is a specialist in rack system enclosures and accessories for the communications, data, electronic, security and electrical industries. The company was founded in Sydney, Australia on March 15th 1990 and was acquired by Preformed Line Products (Australia) Pty Ltd in April. RackCorp Secure Cloud offers a range of infrastructure services, including dedicated and virtual servers, which are essential for businesses needing reliable server rack solutions. With a focus on performance and security, the company operates a diverse network across multiple data centers. Discover Australia's top 8 server cabinet manufacturers, including Eabel and Argent, offering innovative, secure, and customizable solutions for IT infrastructure. Server racks and data cabinets, including floor-standing and free-standing server cabinets, open frames and racks, wall-mount network racks, and outdoor freestanding and wall-mount cabinets, are available to keep your networking and communication equipment secure and protected in a CERTECH network. CRS server racks and cabinets are hardy and robust whilst being contemporary in design, providing universal compatibility with servers, UPS.
